Kayla Schott-Bresler, Strategic Initiatives Special Programs Manager, answered whether the recommendations will be discussed at a Council level and whether the Council will work with the Administration on funding needs. This agenda item was REPORTED.

Committee Discussion and Recommendation to Council

1. [AB2023-228](#) Request approval to send a letter regarding proposed legislation to increase truck size and weight

Galloway updated the Councilmembers and stated there was an amendment since the last meeting to the fourth paragraph of the letter regarding the Skagit bridge and a clarification that the bridge collapse was due to an oversized truck as opposed to an overweight truck.

Galloway moved that the Request for Motion be RECOMMENDED FOR APPROVAL OF REQUEST.

Josh Collins, Coalition Against Bigger Trucks (CABT), answered whether 33-foot trailers fit on a rail car and stated they will be able to fit but the rail cars will only be able to accommodate one of them.

Galloway answered whether Representative Suzan DelBene should be on the recipient list and stated she is no longer representing Whatcom County.

Collins answered whether CABT is the same group as the 2001 Washington Alliance for Safe Highways (WASH) noted in the minutes excerpt on file, where this is going on a Federal level and whether a letter from the Council will make a difference.

Galloway's motion that the Request for Motion be RECOMMENDED FOR APPROVAL OF REQUEST carried by the following vote:

Aye: 2 - Frazey, and Galloway

Nay: 0

Abstain: 1 - Kershner
