1. **AB2019-316 ORDINANCE AMENDING WCC CHAPTERS 20.51 AND 20.71 PERTAINING TO TREE REMOVAL PERMIT PROCEDURES, AND CHAPTER 23.10 UPDATING THE REFERENCED CRITICAL AREAS ORDINANCE IN THE SHORELINE MANAGEMENT PROGRAM**

Browne opened the public hearing, and the following person spoke:

Wendy Harris stated there should be a permit requirement for removing trees in critical areas. Reducing the buffer areas must be supported by science. Trees are necessary for habitat, producing oxygen, sequestering carbon, and have other benefits.

1  
2 Hearing no one else, Browne closed the public hearing.  
3

4 **Donovan moved** to hold for a discussion with staff.  
5

6 The motion was seconded.  
7

8 The motion carried by the following vote:

9 **Ayes:** Brenner, Browne, Buchanan, Donovan, Frazey, and Sidhu (6)

10 **Nays:** None (0)

11 **Absent:** Byrd (1)  
12

13 **2. AB2019-339 ORDINANCE IMPOSING AN INTERIM MORATORIUM ON THE**  
14 **ACCEPTANCE AND PROCESSING OF APPLICATIONS AND PERMITS FOR NEW**  
15 **OR EXPANDED FACILITIES IN THE CHERRY POINT UGA, THE PRIMARY**  
16 **PURPOSE OF WHICH WOULD BE THE SHIPMENT OF UNREFINED FOSSIL**  
17 **FUELS NOT TO BE PROCESSED AT CHERRY POINT**  
18

19 Browne opened the public hearing, and the following people spoke:  
20

21 Dana Briggs stated he supports the ordinance and making the moratorium  
22 permanent.  
23

24 Warren Sheay stated government must protect its citizens and their environment for  
25 future generations and wildlife. He supports the ordinance.  
26

27 Steve Garey stated he supports extending the moratorium one more time. They  
28 must support existing economy while moving to a cleaner economy.  
29

30 Jane Freudenberger submitted a handout and stated she supports the moratorium  
31 and strict restrictions on shipping oil from the Cherry Point port.  
32

33 Jean Carnean submitted a handout and stated she supports the moratorium. They  
34 must increase standards to protect the Salish Sea.  
35

36 Beth Brownfield submitted a handout and stated she supports the moratorium and  
37 declaring a climate action emergency.  
38

39 Ellen Murphy stated they must do the right thing.  
40

41 Jack McBride submitted a handout and stated he supports the ordinance. Do not  
42 turn Cherry Point into a transshipment facility.  
43

44 Peter Willing stated he supports the ordinance. The proposed amendments still need  
45 work.  
46

47 Sandy Lawrence stated he supports the ordinance. Protect other industries, such as  
48 shellfish farms, commercial fisherman, tourism from ski facilities, and firefighters who must  
49 respond to increased forest fires.  
50

51 Ron Colson, Sierra Club-Mt. Baker, submitted and read from a handout and stated he  
52 supports the ordinance.  
53

1 Dave Kershner submitted and read from handouts and stated he supports the  
2 ordinance. Strengthen the provisions in the proposed amendments to the Cherry Point  
3 code.  
4

5 Paula Rotundi submitted handouts and stated she supports the ordinance. They  
6 must reduce fossil fuel use for future generations.  
7

8 Miguel Perry, PNW Regional Council of Carpenters, stated his members want to  
9 support their families. They are opposed to the ordinance and the proposed changes to the  
10 Comprehensive Plan and County Code on Cherry Point.  
11

12 Charles Bailey stated he supports extending the moratorium.  
13

14 Jacob Peterson submitted a handout and stated he supports the ordinance.  
15 Regulation insures a clean environment. Code amendments should include conditional use  
16 permits.  
17

18 Tim Johnson, Phillips 66 Ferndale Refinery, stated he does not support the ordinance.  
19 Comprehensive Plan policies for Cherry Point area recognize the importance of industry.  
20 The moratorium creates risk and uncertainty, and creates a disadvantage against  
21 competitors in the industry.  
22

23 Andrew Gamble, Petrogas West LLC, submitted handouts and stated he does not  
24 support the ordinance, which targets LPGs and would not allow them to make safety  
25 improvements.  
26

27 Alex Ramel stated he supports the moratorium one more time, but it should be the  
28 last. There is much common ground between people who do and people who don't support  
29 the ordinance.  
30

31 Eddy Ury, ReSources for Sustainable Communities, stated he supports the ordinance.  
32 The draft ordinance amending the Comprehensive Plan and code still need improvements.  
33

34 Andrew Davis stated common sense regulation of the fossil fuel industries are  
35 necessary. He supports the moratorium.  
36

37 Jeff Ten Pas stated he does not support the ordinance or changes to the  
38 Comprehensive Plan and code. Protect jobs, business, and also the environment.  
39

40 Todd Taylor, Plumbers and Steamfitters Local 26 and Building Industry Association,  
41 stated he does not support the ordinance or changes to the Comprehensive Plan and code.  
42 Do not create a hostile business environment or discourage new businesses.  
43

44 Nathaniel Maddux, International Machinists and Aerospace Workers, stated he does  
45 not support the moratorium or targeting export of refined products. Local facilities consider  
46 safety and their environmental impacts.  
47

48 Mark Riker, Washington State Building and Construction Trades Council, stated he  
49 does not support the ordinance. It will cost jobs and have devastating economic impacts.  
50

51 Daryl Groves stated the refinery and oil industry are progressing and continually  
52 getting better at creating cleaner emissions and improving safety and processes. He does  
53 not support the moratorium.

1  
2 Matthew Goggins stated he does not support the ordinance. It will have negative  
3 economic impacts. Businesses need to make investments and expand, or they will leave.  
4

5 Hannah Holt, Labor Local 292 member, stated she does not support the moratorium.  
6 Cherry Point refineries create living wage jobs. Refineries are beginning to create  
7 alternative fuels.  
8

9 Ann Coby stated she is against the moratorium. Don't make it more difficult for the  
10 businesses to prosper and become less competitive. Local refiners have been strong  
11 partners that operate in safe and responsible ways.  
12

13 Rod Roth, Laborer's Local 292 member, stated he does not support the ordinance.  
14 Create jobs instead of destroying them. The Council must represent everyone in the  
15 county. They must protect the economy.  
16

17 Jay Brunett, International Order of Electrical Workers Local 191 member, stated he  
18 does not support the ordinance. Support the economy and jobs.  
19

20 Trevor Smith stated he does not support the ordinance. There could be devastating  
21 consequences to families. Listen to all stakeholders in this process and find common  
22 ground.  
23

24 Pam Brady, BP Cherry Point Refinery, stated they are a world class operator that  
25 produces renewable energies and are committed to future energy transition, but they do not  
26 support the ordinance. They will not be competitive in the industry.  
27

28 Michelle Stelovich, Northwest Washington Labor Council, stated she is opposed to the  
29 moratorium. Create a sensible plan that meets the needs of all residents and that includes  
30 living wage jobs.  
31

32 Kevin Clark stated he supports the ordinance to protect the regional Salish Sea  
33 watershed.  
34

35 Nick Engelfried stated he supports the moratorium. Prohibit new exports of oil and  
36 gas. Require conditional use permits. They must transition to renewable energy.  
37

38 Mike Culley, Carpenter's Local 70, stated he does not support the ordinance. Protect  
39 employment. Everyone needs and uses refined oil, which is necessary for the future.  
40

41 Adam Lamb stated he does not support the ordinance.  
42

43 James Riley stated they are all concerned about the planet. They must protect the  
44 planet for future generations.  
45

46 Bob Gay IBW Local 191 Electrical Workers Union, stated his members rely on Cherry  
47 Point industry. They do not support the ordinance.  
48

49 Jerry Schuster stated he supports the ordinance. Stop the export of unrefined fossil  
50 fuels. The County could review increases production.  
51

52 Markis Dee stated problems with the environment are real. He supports the  
53 ordinance. Workers have to be retrained in or transitioned to alternative industries.

1  
2 Kevin Clark stated he supports tabling the vote and adjusting the language to justify  
3 the moratorium.  
4

5 Karen Steen stated it's urgent they do what they can to mitigate climate change,  
6 including creating sustainable economies. She supports the moratorium. Jobs and local  
7 economies must be able to transition.  
8

9 Ben Elenbaas stated they must consider how the community has benefitted from the  
10 industries at Cherry Point. He does not support the ordinance. It will harm people who are  
11 less fortunate, including those in the agricultural industry.  
12

13 Ellen Howard stated there must be careful regulations on development of industry at  
14 Cherry Point. Look at the impacts to the surrounding area.  
15

16 Wendy Harris stated she supports the a moratorium on refined and unrefined fossil  
17 fuels. Her health is impacted by toxic emissions from Cherry Point. The industries must be  
18 transparent about their future plans.  
19

20 Patrick Alesse stated improved mechanics has impacted the agriculture industry.  
21 Technology will impact how they use fuels. Protect Cherry Point for a future container port  
22 and bring more jobs to the area.  
23

24 Hearing no one else, Browne closed the public hearing.  
25

26 **Donovan moved** to adopt the ordinance.  
27

28 The motion was seconded.  
29

30 Councilmembers discussed well-regulated refineries that will eventually transition  
31 away from fossil fuels, amending the proposed definition of unrefined fossil fuels, and the  
32 Council's progress in creating a permanent ordinance.  
33

34 The motion carried by the following vote:

35 **Ayes:** Browne, Buchanan, Donovan, Frazey, and Sidhu (5)

36 **Nays:** Brenner (1)

37 **Absent:** Byrd (1)  
38

39 *(Clerk's Note: The Council took a 10-minute break at 9:17 p.m.)*  
40

41 **3. AB2019-340 ORDINANCE ADOPTING INTERIM ZONING REGULATIONS FOR**  
42 **THE SITING, ESTABLISHMENT, AND OPERATION OF TEMPORARY HOMELESS**  
43 **FACILITIES**  
44

45 Browne opened the public hearing, and the following people spoke:  
46

47 Dana Briggs stated he is concerned that the aggregate total allowed in the county of  
48 150 is too low. He is also concerned about the tone of the ordinance being offensive to  
49 those who are homeless. Revisit the ordinance in six months if no one steps forward to  
50 provide the services.  
51

52 Ken Dunbar stated any 50-person increase in density impacts the neighborhood  
53 community, who should receive notification and have an opportunity to comment.

1  
2 (Inaudible) Woods stated shelters need to be opened if the temperature is 45  
3 degrees or less, and people need to feel safe.  
4

5 Markis Dee stated he agrees with the comments from Dana Briggs. The total  
6 allowed in the county is too low. Historically, there used to be worker housing, which they  
7 need to have again.  
8

9 Patrick Alesse stated he agrees they need more than one camp around the county.  
10 They should be on bus routes and have certain utility services.  
11

12 Hearing no one else, Browne closed the public hearing.  
13

14 Tyler Schroeder, Executive's Office, reported on the public notification requirements,  
15 whether they expect any applications to provide the service, consideration of a permanent  
16 ordinance, and focusing on properties in the city of Bellingham.  
17

18 Councilmembers and staff discussed challenges that perpetuate homelessness,  
19 providing safer solutions for everyone in the community, whether they should allow children  
20 under the age of 18 in encampments even if accompanied by a parent or guardian, 16 and  
21 17 year olds who have been legally emancipated, vetting people for the safety of the  
22 children, and whether there are any impacts of letting the regulations expire so they can  
23 work on it more with staff of the Health Department.  
24

25 **Donovan moved** to adopt the ordinance.  
26

27 The motion to adopt was seconded.  
28

29 **Browne moved** to amend item I in Section 4, "I. No child under the age of  
30 18...shelter for the child. Families that include children shall also be provided information  
31 about alternatives offered by other agencies."  
32

33 The motion to amend was seconded.  
34

35 **Buchanan moved** to hold in Council to July 23.  
36

37 The motion to hold in Council was seconded.  
38

39 The motion to hold carried by the following vote:

40 **Ayes:** Brenner, Browne, Buchanan, Donovan, Frazey, and Sidhu (6)

41 **Nays:** None (0)

42 **Absent:** Byrd (1)
