TITLE FOR AGENDA ITEM:

Discussion of proposed ordinance amending Whatcom County Code Chapters 11.16 and 11.20 to protect Lake Samish shoreline properties and Lake Samish water recreation

SUMMARY STATEMENT OR LEGAL NOTICE LANGUAGE:

This proposed ordinance would amend Code language recently adopted by the Council related to use and protection of Lake Samish. Lake Samish property owners, boaters, and recreational users have come together to understand the concerns of each group and identify a compromise which would be mutually agreeable to all parties and have developed this alternative solution supported by a majority of area residents.
