TITLE FOR AGENDA ITEM:

Presentation by the Whatcom Conservation District on a proposed system of rates and charges to implement the District's work program

SUMMARY STATEMENT OR LEGAL NOTICE LANGUAGE:

Per RCW 89.08.405, any county legislative authority may approve revenues to a conservation district by fixing rates and charges. The county legislative authority may provide for this system of rates and charges as an alternative to, but not in addition to, a special assessment provided by RCW 89.08.400. In fixing rates and charges, the county legislative authority may in its discretion consider the information proposed to the county legislative authority by a conservation district consistent with this section (see attached document "RCW 89.08.405" for full text).
